

1. Describe the type of work you are doing to support flood victims and the timeline for continuing your efforts:
  
2. Define the number of individuals being served, their town residence, and characteristics of the individuals/families you are providing assistance to:
  
3. What other organizations, volunteers and/or churches are you working with to accomplish your efforts?
  
4. Explain how your organization will document the expenditures of your work so that they can be reported to the Foundation (documentation and reporting is a requirement of this grant):
  
5. Briefly summarize your project budget and budget items for which you seek grant funding:
  
6. Are you seeking grant funds to reimburse flood-related services already provided by your organization? If yes, please describe the amount already expended, organization's budget line item that monies were taken from and how the organization's overall budget and ability to fulfill its mission was or will be affected:
  
7. Please describe the coordination of resources between your local organization and national organization. Explain the verification process to reassure donors that their donations will be used locally:
  
8. List other donations given to your organization for flood relief:
  
9. Please explain your role in the community's disaster relief efforts and how you are providing gaps in service not supported through other resources:

**The deadline for an initial review of disaster-related grant applications is December 31, 2011.  
The Disaster Relief Fund Advisory Board will begin the grant selection process in January 2012.**

If this timeframe is too late and delays the assistance you're providing to flood victims, please check here  and note the date you need to be notified: \_\_\_\_\_
