CENTRAL SUSQUEHANNA
COMMUNITY FOUNDATION

For good. For ever. ®

The Central Susquehanna Community Foundation thanks

all the generous individuals and organizations that provided gifts to better our community. Your gifts help to meet the needs of the community, today and in the future. Your generosity has supported cardiovascular health, early childhood development, community health and wellness, education, mental health services, oral health, youth and recreation, scholarships for college and many more causes in your community.

Grants Invested in Your Community

This year the Central Susquehanna Community Foundation awarded over \$1,594,879 in grants to your community. These grants improve the lives of residents in many ways. The grants are listed in ten broad program areas described below.

Cardiovascular Health Grants

Regular physical activity is associated with lower death rates for adults of any age and it decreases the risk of death from heart disease. Many grants focus on increasing the number of adolescents and adults who do a regular physical activity.

Berwick Area Ambulance Association

Giving to Your Community

There are many ways that you can join our list of Donors and support your community.

①

Contribute any amount to our Endowment Funds. Gifts can be made for the area of greatest need or to an area of interest, such as the arts, education, environment or human services.

②

Establish your own fund with a gift of \$10,000 or more.*

③

Establish a donor-advised fund to earn an immediate tax deduction and then spread your giving through grants over time.

④

Help a non-profit organization you are involved with to establish an organizational endowment fund that will support it forever.

⑤

Establish a scholarship fund with a gift of \$10,000 or more.*

⑥

Include a bequest or other planned gift in your estate plan to support a thriving, healthy community for years to come.

We accept a wide variety of gifts including:

- Cash
- Publicly-traded securities
- IRAs or life insurance
- Real Estate
- Charitable Remainder Trust
- Pooled Income Fund
- Charitable Lead Trust
- Bequests

*Funds can be created with less than \$10,000 and built over a period of years.

General Charitable Purpose Funds Our Board of Directors oversees the use of these funds, setting priorities for their use and determining how grants will be distributed to support the charitable needs of our community. Unrestricted funds give us the ability to respond to pressing and ever-changing needs in the community.

Field of Interest Funds are a way to provide support to organizations that work on issues that you specify. Once you determine the issues you want to support, CSCF's program staff identifies suitable grant recipients. If you wish, you may decide to provide support in the Central Susquehanna region, a particular locality, or elsewhere.

Scholarship Funds are designed for donors who are interested in helping students attend high school, college, university, or vocational school—using criteria of your choice. The fund can support students, who are studying a particular subject, attending a specific school, or graduating from a specific school.

Designated Funds are ideal for donors who want to support one or more specific organizations—either a school or nonprofit group. Nonprofit groups can also establish this kind of fund as part of their organization's own fundraising strategy.

Corporate Giving Options include setting up a pass-through fund that allows a company, big or small, to make a charitable contribution to the Foundation, a public charity, when it is financially prudent. Then, with the tax deductible contribution out of the way, the company may take its time to decide where to direct its grantmaking. When a direction is given for a grant, the Foundation takes care of all necessary documentation, processing and follow-up on behalf of the company. Another option involves the Central Susquehanna Community Foundation's Education Improvement Program. The Educational Improvement Tax Credit program helps strengthen partnerships between local businesses and public schools to promote innovative learning. The Foundation is an approved Education Improvement Organization through the Pennsylvania Department of Community and Economic Development. This is an easy way to use your tax credit dollars to support one of many educational programs offered.

Legacy Society recognizes those who have notified us that they have included the Foundation in their estate planning. This could include bequests, insurance policies, annuities and trusts. The Central Susquehanna Community Foundation extends its gratitude to the members of our Legacy Society who have included a gift to the Foundation in their giving plan:
